Oscar Ornelas

13700 Cambourne Dr

Phone: (512)-831-8142 | **Email:** oscarornelas98123@gmail.com

I am a forward-looking person always striving to improve in any aspect I can in coding and beyond. My goal as a web developer is to add as much value as I can to those who seek out my skillset and attitude.

#Skills

Front-End

Javascript ES6

CSS

HTML

Source Control

Git(Git Flow)

Github

FrameWorks

React

Bootstrap

#Latest Projects

FilmBox React / React Hooks / The Movie Database API

An IMBd clone built using React which dynamically displays current film information including films now playing in theaters and most popular.

[View Project - https://oscar-ornelas.github.io/film-box](https://oscar-ornelas.github.io/film-box)

Classical Junkie React / React Hooks / Spotify Web API / Spotify Web Playback SDK

A Spotify clone built in React for Spotify premium users which allows the user to search for and play classical music.

[View Project - https://oscar-ornelas.github.io/classical-junkie](https://oscar-ornelas.github.io/classical-junkie)

Calculator React / CSS Grid

A calculator built in React to perform the functions required in most daily calculator usages from calculating percentages to performing several calculations on a single line.
